

OVERVIEW

In August, Hoang Huy Group recorded good results from real estate business, particularly the positive developments from Hoang Huy Riverside Project in Hai Phong and Gold Tower Project in Hanoi.

Regarding the US International tractors business, the company also has specific strategies and plans for the upcoming financial periods of 2019.

OUTSTANDING ACTIVITIES

Hoang Huy Group equips a series of luxury interior packages for apartment owners at Hoang Huy Riverside Project with the total value of over VND200 billion. The project began in March 2018 with the total investment of more than VND1,000 billion, including 31 shophouses, 34 villas and 260 adjacent apartments.

In September this year, the company is expected to hand over the first 50 apartments to customers and start recognizing profit from the project.

With the high speed of construction, Gold Tower Project (275 Nguyen Trai Street) is completing more than 30 days earlier ahead of the expected schedule. 100% of the apartments were also ordered by customers. Located in the "gold" position of the center of Hanoi City, Gold Tower Project is oriented as a luxury office and apartment building, a system of high-class commercial centers with 33 floors and 3 basements.

Besides the highlights of the real estate, TCH also focuses on the US International tractors business.

In this September, the company will import a large shipment of nearly 500 International tractors from the US.
